Where reputation matters

**LATEST
REVIEWS 9/10**

Despite the challenges of the pandemic, adapting the way we operate, we marched forward and continued to improve our infrastructure of the team, hiring a variety of new positions. We've recruited a Customer Service Manager, an additional Service Engineer and new Fitting teams to empower us to serve our customer's needs and maintain our high standards of expertise.

We also invested in training and development exercises for our existing team members to keep our business in tip top condition while managing home working and keeping our colleagues safe. Looking forward, the future looks brighter than ever for the Droylsden Glass team.

REFER A FRIEND AND GET UP TO £150 CASH**

Thanks to the loyalty of our new and existing customers, we have recognised most of our custom has come from recommendations via friends, family, neighbours, or work colleagues.

So, don't forget about our fantastic refer a friend scheme, where you can earn a cash reward for any successful friend referrals.

LET'S CONTINUE OUR CELEBRATIONS WITH ANOTHER OFFER!

Fall in love with your home again this autumn with up to **30% off purchases** make those home improvements more affordable. Plus, extra discounts are available for NHS and Blue Light workers to thank you for all your hard work during these trying times.

A LARGE RANGE OF WINDOWS TO SUIT ANY PURPOSE OR STYLE

Although windows have been around for centuries allowing in light and air into our homes, their modern role is much more complex.

In today's world, we need to keep the warmth in and the cold out, which is why our range of windows are proven to save you money on your energy bills - designed with high-performance glazing and materials guaranteed to improve your home's energy efficiency and carbon footprint. Security, better aesthetics and kerb appeal are also crucial elements to consider.

The good news is at Droylsden Glass we are very aware of all these things, and we source our materials with this in mind – meticulously checking every detail to ensure our windows meet the highest quality and performance standards.

Practical white uPVC windows remain as popular as ever, but we offer so much more!

We offer a wide range of styles to suit ornate, contemporary, traditional, and modern home-improvement projects throughout Greater Manchester and the surrounding area, as well as stylish slimline aluminium window options. Authentic uPVC wood grain effects can also be tailored to suit heritage homes, modern town houses and everything in-between.

Our versatile window finishes include smooth matte and metallic options. Combined with a vast range of subtle and eclectic shades to choose from, it's even easier to find a window that suits you and your home with Droylsden Glass by your side.

Our A-rated window collection includes:

- uPVC Casement Windows
- uPVC Sliding Sash Windows
- uPVC Tilt & Turn Windows
- Residence 9 Windows
- Infinity Flush Sash Windows
- Aluminium Windows
- Custom Shaped Windows

SLEEK FLUSH SASH WINDOWS

New windows can truly transform your property, both aesthetically and atmospherically.

Finishing flat with the external face of the window, flush sash windows provide smooth, continuous external contours when closed. Able to accommodate many unique window styles, both Räum aluminium flush sash windows and Infinity uPVC flush sash windows tick all the boxes with savvy homeowners and businesses looking for the perfect mix of form and function.

Suited to a variety of property styles, Infinity uPVC windows are well known for delivering the smoothest corner weld on the market - creating a perfectly smooth, timber effect corner joint. Whereas slender Räum aluminium windows are favoured in more contemporary developments throughout Greater Manchester and the surrounding area, adapted to both modern and traditional properties with ease.

Utilising the latest thermal technologies to achieve the best energy ratings, our flush sash windows are also highly secure - fitted with advanced multi-point locking systems to keep you and your family completely secure. With a superb range of colours, wood grain effects and finishes to choose from, you really are spoilt for choice with Droylsden Glass!

Windows, Doors and More...

IT'S NOT JUST WINDOWS WE OFFER; LET'S LOOK AT OUR DOORS

We offer an outstanding selection of doors to suit any property. Doors are an essential part of your home. Not only should they be functional and practical, but they should also enrich a homeowner's living experience too. After all, without essential security and comfort a home is not a home.

With this in mind, we have carefully selected materials for practicality, durability, security, and style - not forgetting the wide scope for customisation. With a wide range of colours and hardware to choose from, new doors installed by Droylsden Glass never fail to add essential style and safety. The thermally efficient, highly secure, and sophisticated sightlines of our front and back doors will instantly improve your home.

It's a no brainer that new door replacements need to be thermally efficient. Committed to providing sustainable home improvement products, we recognise this which is why our doors feature the latest thermal technologies. Combined with high-performance glazing, keeping your home safe and warm whilst reducing energy bills is easy with Droylsden Glass.

Our A-rated door collection includes:

- uPVC doors
- Aluminium doors
- Composite doors
- French doors
- Flush Sash doors
- Patio doors
- Bifold doors

DROYLSDEN GLASS SPONSORS THE 'PROGRESSION TO PEDALS' SCHEME FOR LOCAL SCHOOL CHILDREN

We are passionate about helping our local community. So, when St. Stephen's Primary School asked for help with sponsorship for their 'Progression to Pedal Scheme' we jumped at the chance to help!

St. Stephen's is eager to support their student's learning and with limited funds, they couldn't continue to support the Pedal Scheme for their students without additional funding. To continue assisting their students, St. Stephen's wanted to secure their own cycling equipment to enhance the cycling experience for its current and future schoolchildren.

Teaching Assistant Julie Miller explained "Every aspect of the scheme is important, especially things like learning to use the

muscles and the techniques of using the brakes, such as applying enough pressure. These skills play a massive role in developing writing skills, control and applying the correct pressure to a pencil."

Our Managing Director, Kevin Thackeray, was delighted to help - and with the funds raised by Droylsden Glass, the school was able to purchase five balance bikes, five x 14" bikes, five x 16" bikes and 20 sets of helmets and gloves. This means St. Stephen's can continue to develop learning throughout the week with extra sessions and give their pupils the very best start to their education.

5 YEAR INTEREST FREE-FINANCE WITH 0% APR
