

There's a Canopy to suit every home!

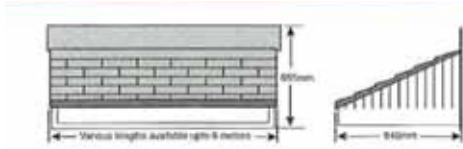

### Princess and Extended Princess

Dual pitched door canopy with a smooth roof. Available in two standard sizes and with options shown on back.

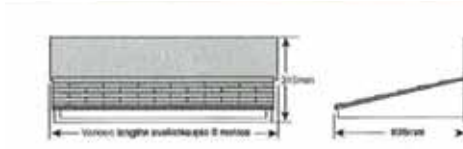

### Countess

Sloping tile effect roof, available in sizes between 1m to 6m, Greater lengths can be achieved by joining two together with a bespoke "joining strip".

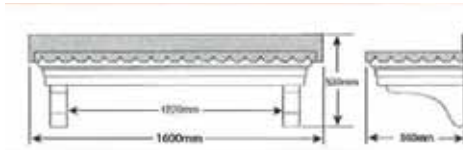

### Duchess

The Duchess is identical to the Countess but with a lower pitch roof. Suitable therefore where height may present a problem. Both canopies are available with the options shown on the back.

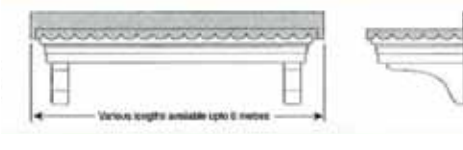

### Standard Royale

Flat smooth roofed canopy with scalloped trim. Standard size shown includes moulded decor legs.

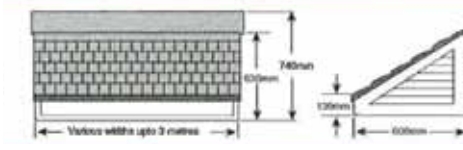

### Extended Royale

As above in 600mm, 800mm and 1000mm projections are available in lengths upto 6mtrs without decor legs which can be ordered separately, see back.

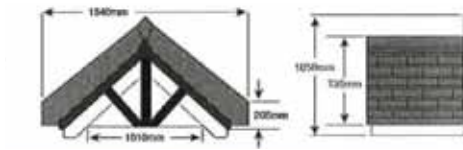

### Windsor

Similar in looks to the Countess, but has a smaller projection and a rosemary tile effect. Available in any length 1m to 3m and with options on back.

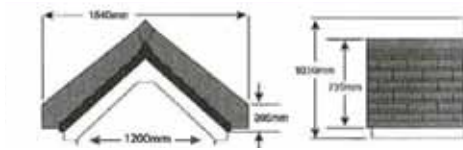

### Tudor

Dual pitched canopy with textured tile effect roof, full "tongue and groove" soffit, tudor design front available in black as standard or to match the roof colour, and with options on back.

### Cottage

Dual pitched canopy with textured tile effect roof and inverted "tongue and groove" soffit. Available with options on back.

### Kensington

Dual pitched canopy with slate effect roof stippled soffit and ship-lap finish on the front. Available with all options shown on back.

### Clarendon

Mono pitched canopy with a hipped roof and rosemary tile effect. Available in any length upto 6.4m with all options shown on back.

### GRP Porch Roof

- Available in two standard heights, in either white or brown with scalloped trim
- Two standard depths
- Integral gutter
- Insulation
- Stippled effect ceiling
- Suitable for bungalows

Options include lighting conduit, cut outs and internal corners.

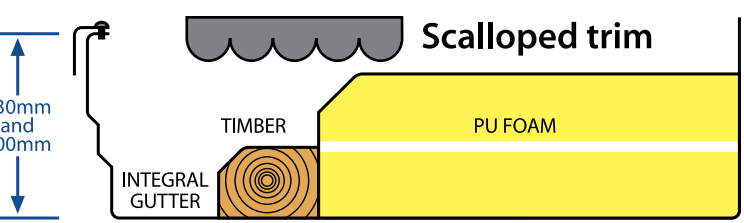

Porch height 130mm - lengths up to 2550mm (internal frame) and projections up to 1275mm (internal frame).

Porch height 200mm - lengths up to 5750mm (internal frame) and projections up to 1825mm (internal frame).

PRICING: To cost your porch roof, the integral guttering, fixed timber and front detail size are added to each internal frame dimension to obtain roof area.

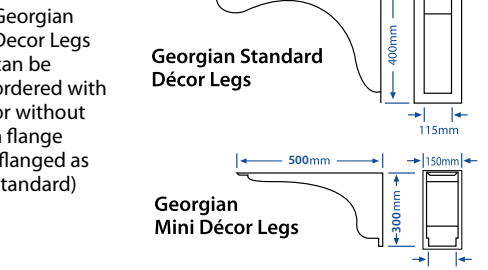

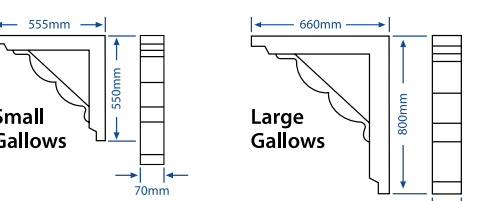

For 130mm porch, add 225mm to each internal frame dimension, ie: 450mm to length and 225mm to projection.

For 200mm porch, add 250mm to each internal frame dimension, ie: 500mm to length and 250mm to projection.

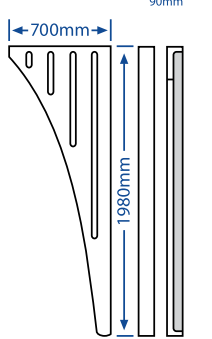

### Optional Extras

#### DECOR LEGS

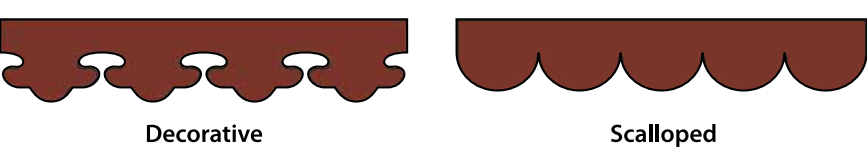

#### FULL SIDE PANELS

Further options are available on request

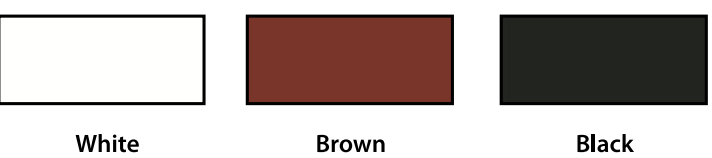

TRIM OPTIONS All canopies (except Royale) come with straight trim as standard. Please specify if alternative trim is required.

#### Roof tile colours available

#### Soffit & accessory colours
