What is Kubu?

Kubu uses smart and simple technology to monitor your lock in real time. You will be able to check the status of your door no matter where you are from the Kubu app on your phone.

Traditional Locking

Kubu allows you to keep to the traditional way of locking using a key, while still getting smart.

Kubu isn't an automatic lock. With Kubu, using your key remains the only way that anyone can lock and unlock your doors.

Kubu Equipped Door

The Kubu Equipped Door Lock has been designed and developed to work in perfect combination with the Kubu Home Hub, Door Module and App.

You have the choice if you'd like to upgrade and make your door smart, it's so simple, you can even fit Kubu yourself!

What is in the Kubu Starter Kit?

The Kubu starter kit comes with one home hub, one door module, a plug and batteries. You can simply add more doors to your hub and app by purchasing additional door modules.

What does the Kubu app do?

It lets you see the status of your door.

Get notifications with every turn of the key.

From any place in the world.

You can schedule notifications when you want.

At any time, day or night.

It shows the history of your doors.

On all the doors in your home.

You can share your door with family and friends.

On all the homes that you look after.

Its perimeter feature helps to prevent you from leaving your door unlocked.
