

KUBU EQUIPPED 550 SERIES FRENCH DOOR

High performance multipoint door locking system, equipped for smart technology

The Kubu Equipped 550 Series French Door Lock isn't just set for smart technology, it also delivers the largest chamfered hooks in the UK market, an exclusive chamfered centre compression bolt, optional roller cams and laminated security shoot bolts.

The Kubu Equipped Door Lock comes with a 10 year mechanical warranty and an additional £1,000 security guarantee, which can be activated by homeowners. No hardwiring or calibration is required for smart activation - Kubu Equipped Door Locks have been engineered to provide homeowners with a simple, neat and compact smart product that doesn't alter the appearance of the door.

Fitting Kubu Equipped Door Locks means the door is set for smart technology. Every door fabricated or installed is future proofed and ready to be activated by the end user.
