

KUBU EQUIPPED 650 SERIES RESIDENTIAL DOOR LOCK

High performance multipoint door locking system, equipped for smart technology

The Kubu Equipped Door Lock isn't just set for smart, it has been designed for high performance residential door applications on a wide range of door materials too. It provides a long service life and is backed by a 10 year mechanical warranty and an additional £1,000 security guarantee, which can be activated by homeowners.

No hardwiring or calibration is required for smart activation - Kubu Equipped Door Locks have been engineered to provide homeowners with a simple, neat and compact smart product that doesn't alter the appearance of the door.

Fitting Kubu Equipped Door Locks means the door is set for smart technology. Every door fabricated or installed is future proofed and ready to be activated by the end user.
